

```
package week05Assignment;

public class SpacedLogger implements Logger {

    @Override
    public void log(String log) {

        for(int i = 0; i < log.length(); i++) {
            System.out.print(log.charAt(i)+ " ");
        }

    }

    @Override
    public void error(String error) {
        System.err.print("\nError: ");
        for(int i = 0; i < error.length(); i++) {
            System.err.print(error.charAt(i)+ " ");
        }

    }

}
```
